I will follow him
Follow him wherever he may go
And near him I always will be
For nothing can keep me away
He is my destiny

I will follow him
Ever since he touched my heart I knew,
there isn't an ocean too deep
A mountain so high it can keep,
keep me away,
away from his love

I love him, I love him , I love him
And where he goes I'll follow
I'll follow , I'll follow

I will follow him
follow him wherever he may go
There isn't an ocean too deep
A mountain so high it can keep
keep me away

We will follow him (follow him)
Follow him wherever he may go (Ooooo...)
There isn't an ocean too deep (too deep)
A mountain so high it can keep
keep us away
away from his love

Oh Oh yeah
Oh yes I love him (I'll follow)
I'm gonna follow (true love)
He's always be my true love (forever)
From now until forever

I love him, I love him , I love him, (Yes I love him)
and where he goes i'll follow
And where he goes i'll follow (I'll follow him)

There isn't an ocean too deep (no ocean)
or mountain so high it can keep us away (nothing can keep me away)
away from his love
