{sound of people talking in background and music starts }

[Intro: Jay-Z]

Yeah, what you critics said would never happen
We dedicate this album to anybody people said,
couldn't make it..

To the fans that held us down 'til e'rybody came
around... (*echoes*)

Welcome, it's here!

Laaaaaaaaaast summer we took threes
across the boarrrrrrrrrd
But by faaaaaaaaaall, we were a cover story
"Now in storrrrrres"

Make us poster boys for your scene
But we, are, not making an acceptance speech
I found the safest place to keep all our old mistakes
Every dot, com's refreshing for a journal updaate

[Chorus 2X]

So long live the car crash hearts
Cry on the couch, all the poets come to liiife
Fix me in forty-fiiiiive

I can taaaaaaaaaake your problems away
with a nod and a waaaaaaaaave
of, my, haaaaaaaaand
'cause that's just the kind of boy
that, I ammmmm-aya-heh-eh-aaaam

The on-LY thing I haven't done yet is die
And it's me, and, my plus one at the afterlife
Crowds are won and lost and won again
But our hearts beat for the die-
HAAAAAAAAAAAAAAAAARDS

[Chorus 2X]

Long live the car crash heaaaaaarts

(Long live the car crash heaaaaaarts)
Long live the car crash heaaaaaarts
(Long live the car crash heaaaaaarts)

[Chorus]

[Jay-Z]
Hehe, WOO!!

YOUNG! F-O-B!!
Let's go..
