(rapping)

A battle station, battle station!
rap attack rap attack!
A battle station, battle station!
rap attack what?
A battle station, battle station!
Rap attack Rap attack!
A battle station, battle station, Bam!

F-U-T-U-R-E

The future is ya, is a here for we!
Are we havin' fun? Runnin' on the run!
Do we really understand what must be-be-be done?
10,000 years of history, we made a manifest of world
misery!
Got blood on my hands, blood in the stairs!
Blood runs red in the critter of man!

Overpopulation in the air the nation!
This not TV, you can't change the station!
Trouble in the east, west, north and South!
I'm feeling like I live with, blood in my mouth!

A bullet in my head, is that my fate?
We'll hate to love, but love to hate!
And God we trust is on our side!
Who's side? My side! Your side don't lie!
A world gone crazy right out of control!

Money, money, money! That's the heart and soul!
You can't buy God! Can't buy spirit!
Try to buy a demon, get nowhere near it!
So gimme some of your den
and let's together move and break the bottle!

Hula hula hula hula hula hula Trouble!
Slow down drop the bomb! Cat got a bomb?
Gimme the beat, live the beat none none none that I
say!
None none none, of the big guys, big guys, livin' in!
Big guys, big guys, livin' in!

Big guys, big guys, livin' in!

Gonna say again!

None none none, of the big guys, big guys, livin' in!

Big guys, big guys, livin' in!

Big guys, big guys, livin' in!

Just me and the drama!

None none none, of the big guys, big guys, livin' in!

Big guys, big guys, livin' in!

Big guys, big guys, livin' in!
