everybodi's likes he's no item
plz don't like em
he dont wife em
he one nine sum
n I value my friends to hang cauz I don't wanna fight
them
but I'm really fe3ling that this one is the right one
you always on my mind when the night comes
so I leave a key under the door mat just incase you
might come
staring at my window
picture on my wall
photo on my pillow so I hear it if you call
if you saw how I be's when I se3 you
babi I even be blushing when I leave you
its sumthing bout my bodi being next to you
so sexci boi
you sexci boi
you make me shy
n might get nervous
if you know it I think you staring at my eyes on purpose
so I'm wishing on a sign hoping for it to come true
I wonder if you know or do you have a clue

(Fantasia)
I put your picture on my mirror,
Start to blush when somebody say's your name
In my Stomach theirs a pain
See you walk in my direction I go the other way
I start to stutter when i Speak
Try to stand but my knee's go weak
What happening to me in the dark can you tell me what
it means
I lay my head on my pillow
Staring out the window
Wish on a star for a sign
Its the Reason why
Your always on my mind
When you come around I'm shy
When i see you, when i see you

Never no when you might walk by
So I gotta be right on time
When i see you when i see you
I scibble X and O's in my notebook
Checking how my hair and nails look
I feel myself in the zone
I get nervous when you call
So i say im not home
I see your face when i here my Favorite song
Should i Send an email at home
Your the number 1 topic on the phone,
I wonder if you know or do you have a clue
I lay my head on my pillow
You got me staring out the window
Wish on a star for a sign
Whats the reason why Yeah...

(Remy Ma)

sumthing now is taking over me n I don't know how
but I gotta be on time when ever you come around
ask me when I'm coming
I'm coming right now
I think bout chu whenever I go to mr. Charles
got a pen n a napkin
writing our names down
our first name
wit cha last name
I know we not married but I'm practicing
I'm not going to run
I'm having fun
doing watever your readi tell me
I'mma have your son
wit you in my presents
I'mma different indiviual
things dragisually change
n you are my visial
se3 I'm perpared
or I'm so scared,nothing compares to how much I care
so I'm wishing on a sign n hopeing it come true
I wonder if you know or do you have a clue
