Ooh-ooh, ooh-ooh-ooh-ooh  
Ooh, ooh-ooh-ooh, ooh-ooh-ooh

Something old, something new, something borrowed  
Something blue, ooh-ooh-ooh, ooh-ooh-ooh  
I-I've still got memories to tell me

Ooh-ooh-ooh, sunli-ight shone in your hair-air  
Eyes bright, showing you care-are  
And somehow, when the years have gone by  
And I'm old and grey-ey  
Say, I'll dream of how you looked that day-ay-ay

Something old, something new, something borrowed  
Something blue, ooh-ooh-ooh, ooh-ooh-ooh  
I-I've still got memories to tell me-ee-ee

Just a word, just a sigh  
You've just gotta love me 'til I die, I-I-I, I-I-I  
I-I've still got memories to tell me

Ooh-ooh-ooh, windows, reach for the pho-one  
Whe-en you find your over it a-a-all  
And even when the days grow long  
And pictures fade away-ay-ay  
Say, I'll dream of how you looked that day-ay-ay

Something old, something new, something borrowed  
Something blue, ooh-ooh-ooh, ooh-ooh-ooh  
I-I've still got memories to tell me-ee-ee, ay-ay

(Just a word) just a word (just a sigh) just a sigh  
'Til I'll love you, love you, love you 'til I die, I-I-I, I-I-I  
I-I've still got memory to tell me

Something o-old, something new, something bor-  
orrowed  
Something blue-ooh, day-ay, yay-ay, ooh-ooh-ooh, ooh-  
ooh-ooh  
Something old, something new, something borrowed  
Something blue, ooh-ooh-ooh, ooh-ooh-ooh

Something old [fade]
