## "Where My Money At"

Visit "[Where My Money At](#)" on MotoLyrics.com

(Feat. Kanye x Jay-Z)

[Intro:]

Louder!

Look at them!

'Ello, 'ello, 'ello, hello white America, assassinate my character

Money matrimony, yeah they tryna break the marriage up

Who gon' act phony, or who gone try to embarrass ya I'mma need a day off, I think I'll call Ferris up

(Bueller had a Muller but I switched it for a Mille Cause I'm richer and prior to this shit was moving free base)

Had a conference with the DJs, Puerto Rico three days (Poli with the PDs now they got our shit on replay)

Sorry I'm in pajamas but I just got off the P.J

And last party we had, they shut down Prive

(Ain't that where the Heat play? Niggas hate ballas these days) Yep!)

Ain't that like Lebron James? (Ain't that just like D. Wade? Wait)

Louder!

Look at them!

What you need?

What what what you need?

Wussup, wussup, wussup, wussup

Wussup muh'fucka where my money at?

Wussup mother fucker?

Wussup mother fucker?

Wussup mother fucker?

Wussup muh'fucka where my money at?

Wussup mother fucker?

Wussup mother fucker?

Wussup mother fucker?

Wussup muh'fucka where my money at?

Wussup mother fucker?

Wussup mother fucker?

Wussup mother fucker?

Wussup muh'fucka where my money at?  
What you need?  
What what what you need?
