Momma you can get whateva ya like
Plus i got that all black phantom tinted on four sides
Get a kiss so they cant see us inside
Momma tell me do you like it

Its written all ova your face dont fight it
You like it
More than I like it
So put it all ova your face dont bite it

From rags to riches club packing
Bitches hate the bag and ditch us
The hate game is vicious

Dont be selfish go ahead and pass it to em
And we can all f*** that
