I met you in a paper

I loved what I saw

You waited in the paper

I needed more

I waited so long baby

Thought my life through

To steal a plane baby

And fly it to you

CHORUS

Stealing a plane

I kept the time baby

And I kept my faith

But we weren't flying baby and

I could not wait

I waited so long baby

Now I won't wait no longer

I'm going to steal a plane tonight

We're going to fly

CHORUS

The world is wrong

The world can't hurt me with its lies

I know I'm strong enough to fly
I woke this morning baby
And looked at the stone
And I looked right through baby
To when we'd be alone
Stealing a plane baby
Flying too high
Stealing a plane baby
Fly into your blue sky
