"Bullet Train"

All my life..
built to fly.
It's been ripped and pulled out
from my heart.

Closed my eyes.
Feel the light.
Truth is blinding
at first sight.

Freeze frame
those days.
Fast life
no pain.
Now it's a bullet train.
It's a bullet train.

Just freeze frame
those days.
Fast life
no pain
Now it's a bullet train.
No, it's never gonna change

We were young and invincible
displacing
Picking up speed
Picking up speed
Always headed toward inevitable defeat

Looking back
It's incredible
amazing
Running off the tracks
Running off the tracks
Never saw the ground rush by beneath our feet

(Back to chorus)

Keep on running off the tracks
Keep on running running running
