AG-3

Vers1.

all we think about is war nothing else to talk about no more
And all the shit we been trough i cant think about no fool that i love
but my homies is the best to the end
so lets go with our fo'fives maybe ni'nes
but my AG-3 cant talk nothing but blood
kill fuckers and the sucker so die,die burn
i leave the words to LB so be real hahahaha yeah now
its yours

AG-3

Chorus:

we Got War On the line
But we gotta kill them all
Cant fall back so lets go and kill them all X2

L-B

Vers2.

Yeah yeah War is a Bad thing But we can't do noting about them punk ass niggaz..
They wanna get in to a fight all the time, only thing we do is to Kill them Motherfuckers. Yeah L-B right here ,
We don't care if you be Strong or the Hardest we just be the Smartest.
Haha Now Come on AG Show those motherfuckers how it Should Be.
Cause i wanna see the blood of the reel filla punks

AG-3

Chorus:

we Got War On the line
But we gotta kill them all
Cant fall back so lets go and kill them all X2
