Did You Boogie (With Your Baby)  
FLASH CADILLAC & THE CONTINENTAL KIDS (featuring  
Wolfman Jack)

(Wolfman)

Ahhh, do you remember the first time you started to  
date  
and the places you had to go just to be alone with your  
number one?  
Well, I hope this song brings back a whole lot of  
beautiful memories  
for you.

(Flash)

(Chorus)

Did you boogie with your baby in the back row of the  
movie show  
And did you boogie there cause you had nowhere else  
that you could go  
And when the lights went way down low  
Did you forget about the picture show  
Yes, did you boogie with your baby in the back row of  
the movie show  
Hey, little girl was it so long ago  
We'd take a walk just to be alone  
And hey little girl if it should rain or snow  
Remember where we would go

(Chorus)

(Wolfman)

Sometimes I get to thinkin' there's not enough love and  
romance left in our lives today. And that's why I'd like  
to  
reminisce and to relive that first feeling of love and do  
it all over  
again.

(Flash)

Hey little girl why not come over here  
and set beside me and make believe

and say, little girl, why not stay over here  
we'll have a party for two

(Chorus)
