### [Intro]

Yeah! It's ya boy A-V! This a Kingsmen Production! You  
just gotta hit me up if you wanna ride pimpin! Uhuh!  
Get money! Uhuh! You just gotta hit me on the phone!  
You just gotta hit me on the phone!

### [Verse 1]

I'm the first to call when the drama pop off  
Let me know if it's beef so I can knock ya block off  
And I'll never leave the scene 'til ya mom call the cops  
up  
Test me if you want, I'll be here 'til I'm hauled off  
I defend that to the death, yep, til the day I'm gone  
Never ever be a day where a gun will make me run off  
I stay true to the death, I stay true 'til the casket drop  
You can always hit me up whenever you need a  
problem solved  
Whether it's beef, or you wanna cruise through the city  
streets  
It's never a problem, I love the summer heat  
Always catch me on the block, I'm never on the creep,  
Catch me cruisin' through the street in the '63  
Posted on the corner with the whole team  
Anytime you ever wanna contact me,  
Hit me up, the name is A-V on the LG ENV, keep it on  
the low key

### [Chorus]

Lets get out, lets roll, get money, lets go, you just gotta  
hit me on the phone (hit me up) you just gotta hit me on  
the phone  
Lets get out (get out) lets roll (lets roll) get money (get  
money) lets go (lets go) you just gotta hit me on the  
phone (you just gotta hit me up) you just gotta hit me  
on the phone

### [Verse 2]

I'm bored as hell, 'til I'm ready to ride  
Called my bro J-Nice, so we hit the South Side,  
Yeah we cruise on through, 5 deep in the ride  
Haven't done nothin like this since it was '99  
I'ma stay livin it up 'cus it's the summer time

During this time, ladies and money's on my mind  
All the time, no lies, yes it's about the grip you're  
holding  
"Alwaqt min dihab" yes the time is golden  
'Cus you never miss what you love until it's stolen  
Barbeques and parties settin the scene  
Pullin out the whips, cruisin down the street  
Makin' memories, livin' out the dream  
Lookin so fresh and I stay so clean (so fly)  
If you tryin' to roll with the team,  
Hit A-V up on the LG ENV so we can do big things, know  
what I mean?

[Chorus]

Lets get out, lets roll, get money, lets go, you just gotta  
hit me on the phone (hit me up) you just gotta hit me on  
the phone  
Lets get out (get out) lets roll (lets roll) get money (get  
money) lets go (lets go) you just gotta hit me on the  
phone (you just gotta hit me up) you just gotta hit me  
on the phone

[Bridge]

If you wanna dip in the ride (Hit Me Up)  
If you tryin to ride through the night (Hit Me Up)  
If you layin low inside (Hit Me Up)  
If you find some goons tryin to fight (Hit Me Up)  
If you tryin to hit the club tonight (Hit Me Up)  
Let me know what's on your mind (Hit Me Up)  
If you're tryin to chill on the low (Hit Me Up)  
Just hit me on the phone

[Chorus]

Lets get out, lets roll, get money, lets go, you just gotta  
hit me on the phone (hit me up) you just gotta hit me on  
the phone  
Lets get out (get out) lets roll (lets roll) get money (get  
money) lets go (lets go) you just gotta hit me on the  
phone (you just gotta hit me up) you just gotta hit me  
on the phone
