[Chorus: Darien Brockington] Good people, good loving Good music in my life, it makes me happy Good people, good loving Good music in my life, it makes me happy So happy [Phonte] Ayyo man, I don't ask for much I just wanna chill at home and sip my drink out of my plastic cups Even though my roommate have me mad as fuck Nigga be acting crackish, fucking up my money hustling backwards Financially I took some hard blows But shit I also rocked some hard shows Niggas came to check us out by the carloads Screaming my name like I scanned a million barcodes already My squad flows till we all sweaty We struggling to pay our bills so we really can't ball heavy And God knows I be calling on him Cause I be writing mad cheques that might as well have Spalding on 'em The shoulders of my team, I be falling on 'em Providing support that help the pain go away And helping me to see the light like Towa Tei standing by me That's all I really need to satisfy me It's just my peeps y'all, for real [Chorus: Darien Brockington with Phonte] Good people, good loving Good music in my life, it makes me happy Ayyo, it's real easy to see Don't take much to please a cat like me, that's how we doing it Good people, good loving Good music in my life, it makes me happy Uh uh, now bring it back So happy [Rapper Big Pooh] There's been nights I wanted to quit, broke, crying to God It's kinda hard going far with a lot to carry Waking up still tired from sessions Going to class, dozing off, waking up, never learning the lessons But thanks to my faith and blessing Struggles pass and I go about life without half the stressing I know who got my back, no need for raising the question Cause when times get hard, it's to my brothers I call Taking the weight, no matter large or small I smile everyday, thanks to y'all, we gonna eat for real Ease the mind so we can sleep for real It took longer than we wished but the blow meant I knew we could Find the best way to live life, it's so right We jail tight, ain't no strip stopping our move We one nation all under a groove Sending peace to that cat Nicolay, we gonna meet real soon I'm so happy [Chorus: Darien Brockington with Rapper Big Pooh & Phonte] Good

people, good loving Good music in my life, it makes me happy Uh, we doing this for y'all Check it, we doing this for y'all, c'mon Good people, good loving Good music in my life, it makes me happy Yo, aiyyo we running it now So happy [Phonte] Feel me, like this yo and this how we doing it It's going out to mans Big Pooh and it is like this and it's just how we ripping it Shouts out to my man named Infinite And it's just the way got to begin with it It's going out to my man For 10 and it And it's just the way we gots to keep it on For my man Big Dho and Chaundon, let's get it going y'all [Chorus X2: Darien Brockington with Phonte] Good people, good loving Good music in my life, it makes me happy From Justus League to the world baby Yo, we keep it going on, yo-yo, we keep it going on Good people, good loving Good music in my life, it makes me happy Aiyyo-yo-yo it's like this, from the League to the world, feel me So happy Good people, good loving Good music in my life, it makes me happy Aiyyo, so fly with it Taking y'all on a high with it, feel it, c'mon Good people, good loving Good music in my life, it makes me... [Phonte] You wanna know what I'm feeling for real? Start that shit
