It's half past two, still I can't stop thinking, I'm thinking
of you
I thought: "We'll make it through," but the odds are
against us
You made me look like a fool.

Refrain*

And I wake up in the morning thinking of your kiss,
Wanting just one taste of your sweet lips,
And I wake up in the morning wanting your embrace,
This is not a phase, I'm in love

I'm in love
I'm in...
I'm hallucinating (2x)

Am I in love? A plea for an answer and answer from
above.
Am I in love? Cuz it feels like I'm hallucinating.
Am I in love? A plea for an answer and answer from
above.
Am I in love?..... I'm hallucinating.

Refrain*

And it hurts to say it, but I know that you didn't feel the
same.
What kind of lie am I living? Loving in vain, causing
never-ending pain (2x)

And I wake up in the morning thinking of your kiss,
Wanting just one taste of your sweet lips,
And I wake up in the morning wanting your embrace,
This is not a phase, I'm in love

And I wake up in the morning thinking of your kiss,
Wanting just one taste of your sweet lips,
And I wake up in the morning wanting your embrace,

This is not a phase, I'm in love

I'm in love

I'm in...

I'm hallucinating (2x)
