AND WHEN SHE DANCE DAVID FOSTER & MARILYN  
MARTIN

M: Can you go back in time to a place in your mind

To the one who know a part of you

That you just couldn't find

T: If you ask me to choose between a memory or two

When it's said and done

I'll take the one who's love I had to lose

M: Cause when she danced

I lost my inner sense

I loved her danced I always will

\*\* M: She left with me

\*\* F: But still with me

T: A burnin' memory

M: She took with her a part of me

F: If I could get back where I've been

Feel the passion I left then

T: I'd be there right now and get somehow

It never comes again

## M: She had nothin' to gain

## F: No where to go

\*\* M: To the way out of pain

\*\* F: The time with

M: With a song and dance she lost romance

T: The world had gone insane

## M: Caused when she danced

## F: Caused when we danced

T: I lost my inner sense

\*\* M: I loved her dance

\*\* F: I love

## M: I always will

## F: I always will

\*\* M: She left with me

\*\* F: He left with me

T: A burnin' memory

F: Remember somehow

M: She took with her a part of me

To the one who knew a part of you

That you just couldn't find

M: Lookin' back I'm not sure

If I couldn't heard someone

When she danced with me

Our hearts were free as far as I could see

F: I'd be there right now and yet somehow

It never comes again

M: When she danced with me

## M: Our hearts were free

## F: Were free

T: As far as I could see

M: Male

F: Female

T: Together
