So many years gone

Still I remember

How did I ever believe

In one who never

Gave enough for me

And so many years gone

Love that was so wrong

I can't forget the way

It used to be

And how you changed the taste

Of love for me

CHORUS:

You were my one more chance

I never thought I'd find

You were the one romance

I've always known in my mind

No one will ever touch me more

And I only hope that in return

I might have saved the best of me

For you

And we'll have no ending

If we can hold on

And I think I've gone this far

Because of you

Could be no other love but ours

Will do

(repeat chorus)

No one will ever touch me more

And I only hope that in return

No matter how much we have to learn

I saved the best of me for you
