Pray for me brother  
Pray for me brother  
Pray for me sister  
Are you searchin' ...  
Pray for me brother

Lookin' for the answers To all the questions In my life  
Will I be alone Will you be there By my side  
Is it something he said Is it something he did  
I wonder why He is searchin' For the answers  
To stay alive

Could you ever listen Could you ever care  
To speak your mind  
Only for a minute For only one moment  
In time

The joy is around us But show me the love  
That we must find  
Are you searchin' For a reason to be kind, to be  
kind ...  
He said ... Pray for me brother

Pray for me brother Pray for me sister  
Pray for me brother Say  
what you wanna say now  
But keep your hearts open  
Be what you wanna be now  
Let's heal the confusion  
Pray for me brother

Don't let me take When you don't wanna give  
Don't be afraid Just let me live  
Don't let me take When you don't wanna give  
Don't be afraid Say what you wanna say now  
But keep your hearts open

Be what you wanna be now Let's heal the confusion  
Pray for me brother Pray for me brother  
I'm ashamed ah, brother be dying of poverty  
when he down on his knees its only then he prays  
And it's a shame ah, brother be dying of ignorance

cos the world is a trip and everybody's a hypocrite  
Need to stop ah , taking a look at the other  
I'm not ashamed of poverty  
need to be making his life better  
So think about it, think about it once more  
cos life is a blessing and it's not just a show, ah  
Round and round the world is spinning around

We need to be singing a prayer, we need to be singing  
it now  
Round and round the world is turning around  
We need to be singing a prayer, we need to be singing  
it now  
Need to be feeling the power, need to be feeling the  
faith  
We need to coming together just to win this race

Need to be feeling the power, need to be feeling the  
faith  
We need to coming together just to win this race (twice)  
Are you searching for a reason to be kind?
