Baby, I need your loving - I really need you
Baby, I need your loving - ooh, I really need you
Although you're never near - ooh, I really need you
Your voice I often hear - ooh, I really need you
Another day, another night - ooh, I really need you
I long to hold you tight

Baby, I need your lovin'
Got to have all your lovin'
Baby, I need your lovin'
Got to have all your lovin'

Some say, it's a sign of weakness
For a man to beg
Then weak I'd rather be
If it means having you to keep

Baby, I need your lovin'
Got to have all your lovin'
Baby, I need your lovin'
Got to have all your lovin'

In bad nights I call your name
Oh, sometimes I wonder
Will I ever be the same, oh yes

When you see me smiling, you know
And I need you and I want you, baby
Things have gotten worse
And I need you and I love you, baby
Any smile you might see
And I need you and I want you, baby
Has all been rehearsed
And I need you and I love you, baby
Darling, I can't go on without you
And I need you and I want you, baby
This emptiness won't let me live without you
And I need you

Baby, I need your lovin'
Got to have all your lovin'

Baby, I need your lovin'
Got to have all your lovin'

Baby, I need your lovin'
