"Alice's House"

In the house where Alice lives
(Alice's)
it's a mess of souvenirs
let to remind you telling the time

?
?
people say it's cold outside
you disagree, she's telling me...

(CHORUS)
Come and spend the day at Alice's House
pass some time away at Alice's House
write a note saying "Please don't go, please don't go"

In the
without a key
the butler is serving tea
wearing a shirt without any sleeves

(CHORUS)

in the bedroom down the hall
your secret sleeps

why don't you stay?

In the house where Alice lives
(Alice's)
It's a mess of souvenirs
let to remind you telling the time

(CHORUS)

Alice's house
