She's a heartbeat  
yeah she's a heartbeat  
she's a door at the end  
of a dead-end street  
she's a heartbeat  
and footsteps, I hear the footsteps  
when the music goes down  
and the traffic won't stop  
and nobody talks at all  
when they turn off the town  
I hear a heartbeat  
and I shut all the shades  
and the radio stops  
and nobody moves at all  
when the city's asleep  
I hear a heartbeat  
In the shadows  
out in the shadows  
it's like walking on glass  
it's the end of the show  
in the shadows

and sweet dreams

she sells me sweet dreams

it's like movies and trash

?

and she sweet dreams

Hearbeat - I hear a heartbeat

when they turn off the town

I hear a heartbeat

when the music goes down

I hear a heartbeat
