"The Ghost In You"

A man in my shoes runs a light

and all the papers lied tonight

but falling over you

is the news of the day

Angels fall like rain

And love - is all of heaven away

(CHORUS)

Inside you the times moves

and she don't fade

The ghost in you

She don't fade

Inside you the time moves

and she don't fade

A race is on

I'm on your side

And here in you

my engines die

I'm in a mood for you

Or running away

Stars come down in you

and love - you can't give it away

(CHORUS)

Don't you go

it makes no sense

when all your talk

and supermen

just take away the time

and get in the way

Ain't it just like rain

And love - is only heaven away

(CHORUS
