Girl it's been a long long time coming. Yes it is.

But I, I know that it's been worth the wait..

Yeah, It feel like spring time in winter.

It feel like christmas in June.

It feal like heaven has opened up its gate for me and you.

And every time I close my eye I think the lord that I've got you.

Yeah, And you've got me too .

And every time I think of it I pinch my self

cause I don't beleave it true.

That's some one like you love me too, yeah.

Girl I think that you're trouely something. Yes, you are.

And you're. Your are every bit of dream come true.

With you baby, It never rains and it's no whoder.

Sun always shine when I'm near you.

It's just a blessing that I have found some body like you

(chorus)

To think of all the nights I've cry myself to sleep.

You really ought to know how much you mean to me.

It's only rught that you be in my life right here with me.

Oh baby baby it's you

(chorus
