Who wants to bu-u-uy this diamond ri-i-i-ing?
She took it off her finger, now it doesn't mean a thi-i-i-
ng
This diamond ring doesn't shine for me anymore
And this diamond ring doesn't mean what it meant
before
So if you've got someone whose love is tru-u-ue
Let it shine for yo-ou-ou

This stone is genuine like love should be-e-e-e
And if your baby's truer than my baby was to me-e-e-e
This diamond ring can mean something beautiful
And this diamond ring can mean dreams that are
coming true
And then your heart won't have to break like mine did
If there's love behind it

instrumental-first two lines of a verse

This diamond ring can mean something beautiful
And this diamond ring can mean dreams that are
coming true
And then your heart won't have to break like mine did
If there's love behind it

This diamond ring doesn't shine for me anymore
And this diamond ring doesn't mean what it meant
before
FADE
So if you've got someone whose love is tru-u-ue
Let it shine for yo-ou-ou
