2x)and i try
and i try
and i try
and i try

Nobody moves me
I've been through this life with no place that I can call
my own.
I'm thinking above me
I never seem to find anybody that can feel like home

and I try
and I try
and I try
and i try

Funny how it feels when there's nothing to say.
Trapped with my ideals
I can't contain
I'm wrapped in cellophane(3x)
and he knows my name

Nobody told me obsessive needs were always
following me around
and you can't ignore me.
Look at my face and then tell me my place in town
and he's in and she's in
and he's in and she's in

Funny how it feels when there's nothing to say.
Trapped with my ideals
I can't contain
I'm wrapped in cellophane(3x)
and he knows my name

and I try
and I try and he's in and she's in
and he's in and she's in
