It's a sad day

But some good will come of it I guess

And maybe it'll be for the best

As you walk away I know

I gotta let you go

It's not easy

Watching something you cherish fade

But it's the only choice that I can make

You wanna be somewhere else I know

I gotta let you go

Oooh

I gotta let you go

Oooh

I gotta let you go

It's OK

There's really nothing you can say

I don't hate you that it's gone this way

Some things just ain't meant to be

(So) I gotta let you go

I still can't figure why

joy can erase in the blink of an eye

You no longer need me

just when I let you belong in my life

We had something but whatever it was has gone

And I gotta let you go

So don't stay here when you wanna move on

I gotta let you go
