Hi [Hi]
We're your weathergirls [Uh huh]
And have we got news for you [You better listen]
Get ready all you lonley girls
And leave those umbrellas at home [Alright]

Humidity is rising [Mmm..rising]
Barometer's getting low [How low girl?]
According to our sources [What sources now?]
The street's the place to go [We better hurry up]

Cause' tonight for the first time [First time]
Just about half past ten [Half past ten]
For the first time in history
It's gonna start rainin men [Start rainin men]

It's raining men
Hallejulah
It's rainin men
And men

I'm gonna go out
I'm gonna let myself get
Absolutley soaking wet

It's rainin men
Hallejulah
It's rainin men
Every specimen

Tall blonde dark and lean
Rough and tough and strong and mean

God bless Mother Nature
She's a single woman too
She took over heaven
And she did what she had to do

She fought every Angel
And rearranged the sky
So that each and every woman

Could find the perfect guy

It's raining men
Hallelulah
It's raining men
And men

It's raining men
Hallelulah
It's raining men
And men

I feel stormy where the roof is in
Down to playin
I'm not to playin
Heaven on earth
Don't you loose your head
Rip off the roof and stay in bed

God bless Mother Nature
She's a single woman too
She took over heaven
And she did what she had to do

She fought every Angel
She rearranged the sky
So that each and every woman
Could find the perfect guy

Ooh it's raining men
Yeah

Humidity is rising [Humidity is rising]
Barometer's getting low [It's getting low low low low low
low low low]
According to our sources [According to our sources]
