There is something that I see
In the way you look at me
There's a smile, there's a truth in your eyes
But an unexpected way
On this unexpected day
Could it mean this is where I belong
It is you I have loved all along
It's no more mystery
It is finally clear to me
You're the home my heart searched for so long
And it is you I have loved all along
There were times I ran to hide
Afraid to show the other side
Alone in the night without you
But now I know just who you are
And I know you hold my heart
Finally this is where I belong
It is you I have loved all along
It's no a more mystery
& It is finally clear to me
You're the home my heart searched for so long

And it is you I have loved all along

Over and over

I'm filled with emotion

Your love, it rushes through my veins

And I am filled

With the sweetest devotion

As I, I look into your perfect face

It's no more mystery

It is finally clear to me

You're the home my heart searched for so long

And it is you I have loved

It is you I have loved

It is you I have loved all along
