Thank you for being a friend
Traveled down the road and back again
your heart is true you're a pal and a confidant
I'm not ashamed to say
I hope it always will stay this way
My hat is off, won't you stand up and take a bow
And if you threw a party
Invited everyone you knew
You would see, the biggest gift would be for me
and the card attached would say,
Thank you for being a friend
Thank you for being a friend
Thank you for being a friend
Thank you for being a friend
If it's a car you lack
I'd surely buy you a cadillac
Whatever you need, anytime of the day or night
I'm not ashamed to say
I hope it always will stay this way
My hat is off, won't you stand up and take a bow
And when we both get older

With walking canes and hair of gray

Have no fear, even though it's hardly here

I will stand real close and say,

Thank you for being a friend

(I want to thank you)

Thank you for being a friend

(I want to thank you)

Thank you for being a friend

(I want to thank you)

Thank you for being a friend

(I want to thank you)

Let me tell you bout a friend

(I want to thank you)

Thank you for being a friend

(I want to thank you)

Thank you for being a friend

(I want to thank you)

Thank you for being a friend

And when we die, and float away

I'll see you there, and once again

Thank you for being a

Thank you for being a friend

(I want to thank you)

Thank you for being a friend

(I want to thank you)

Thank you for being a friend

(I want to thank you)

Thank you for being a friend

Whoa, tell you about a friend

(Thank you right now, for being a friend)

Thank you for being a friend

(I wanna tell you right now, and tell you again)

Thank you for being a friend

(I wanna thank you, thank you, for being a friend)

Thank you for being a friend
