Inner city
Burning cities,
burst into fears
The inner rivalries turning into disgrace
Gone are the ways
live to fight another day
Another heartache,
urban decay
The propaganda's killing youth of today
Inciting carnage
but who are there for us to blame?
Enough of trouble,
enough of hate
I can live without
causing an affray
The inner city
is getting out of hand...
It's time to change
before it's too late
Coz it ain't freedom
by breeding too much hate
& if it remains,
this'll be the nation of the dead
Another heartache,
urban decay
The propaganda's killing youth of today
Inciting carnage,
only we ourselves are left to blame
Inner City
Inner City is getting out of hand.
