Awaiting for the glory day
When eastern rebels lead the way
Nothing can kill the and pride
In heart of the working class night

Marteen boots and shaven head
Are ready to invade
The urban street of the KL city
Will be ruled by strenght of our fist

Tell your heart that you are free
To stand defiany on tyranny
Into a new freedom,guide you,yes i will

Keep the faith and let it be
Believe in you believe in me
Until the day we ruled the street shall we meet

Skinhead 4 life
I'm a skinhead 4 life
Skinhead 4 life
Be a skinhead 4 life
