I pray, I beg, I try to find my own world  
No sun, no god, why can't you hear my prayer  
You're good, you're bad  
Why did you steel all my dreams  
It's time to sleep, It's time to sleep, It's time  
to sleep, I don't want  
You come, you play, you watch, you smell  
You say, you love, you touch, I'm confused  
I don't wanna play, I don't wanna play, I  
don't wanna play anymore  
Why don't you just read me a story  
Now I am afraid want you to stop  
Why, now I know  
All the things you have done to me  
Destroyed my life for ever  
You're too selfish to face the reality  
Just kill yourself  
Oh sorry motherfucker  
I guess you don't have enough balls  
To end your life  
But you know how to use them  
With innocent people and fuck their dreams  
You win the game, you win the game, you win the game  
I live to, I live to see you dying, suffering  
I'm gonna end your pleasure for ever.
