I, I've never realized
What I've given up for you
You, you never gave me the chance
To be what I wanted
To love you as I am
Life o' love you never gave me
Doesn't stop me from wantin' you
And all the crazy lies you told me
Doesn't stop me from lovin' you

Refrain:

What a fool I am
What a fool I've been
('Cause I'm) falling in love with you helplessly
What a fool I am
What a fool I've been
Begging my love for you endlessly

Now, now that I've come to know
You never really cared
Still, still in my heart I hold
This everlastin' love

If only you could look into my heart
If only you could feel the love I have
Then maybe you'll come to realize
There's one in a million me

Still I come to want you
Still I come to need you
Still I come beggin' for your love
(Repeat Refrain except last line)

'Cause I'm down now on my knees
So baby won't you please

Still I come to want you
Still I come to need you
Still I come beggin' for your love
Share a bit of your love
Share a bit of your touch
Share a little bit o' your embrace

(Repeat Refrain 2X)
