I don't know what to do  
I don't know what to say.  
I never had a love  
to measure up to your love.  
And all the little ways  
that you been good to me

I've never been afraid  
oh  
come and give me your love.  
Till I can't take love no more  
give me love.  
Till I can't take no more  
till I can't take love no more  
till I can't.  
And if I had to bet on all the loves I've had

Come on  
don't be sad  
ten to one its your love.  
It would run away with every single place.  
Oh  
sweet love is this  
come on  
give me more love.  
Till I can't take love no more  
give me love.  
Till I can't take no more  
till I can't take love no more

Give me love till I can't take no more.  
And all the little ways  
that you been good to me

I've never been afraid  
oh  
come and give me your love.  
It would run away with every single place.  
Oh  
sweet love is this  
come on

give me more love.

Till I can't take love no more  
give me love. . . .  
Till I can't take love no more  
give me love. . .  
Till I can't take love no more  
give me love. .
