By Giorgio Moroder, Tom Whitlock

I will take it to the wire now

Until every race is run

I'll go straight into the fire now

Until every day is done

Voices say -- break away

Live each night as if each moment

Was the only one

Through the fire

To the wire

When the night out of control

Is breaking your heart

Through the fire

To the wire

When the flames are burning hot

They take you higher

Through the fire

There's a feeling that I can't ignore

Like a stranger at my door

So revealing that I cannot hide

When you settle up the score

Voices say -- night and day
Live your life as if each second
Was the final one
Through the fire
To the wire
When the night out of control
Is breaking your heart
Through the fire
To the wire
When the flames are burning hot
They take you higher
I look for signs that you are here tonight
When the passion calls the pleasure to the flame
Then I ask you of the meaning when you talk of love
Would you take the leap of faith?
Would you throw it all away?
Through the fire
