I am what I am, yes, I'm one of the people  
I scheme and I dream and I try  
I am what I am, yes, I'm one of the people  
I'm happy to live 'til I die  
I'm happy to live 'til I die

I can look at the world with the most understanding  
From my tenement flat on the second landing  
It's been raining today but I really don't care  
I've got sun in my heart and a daydream to share  
Yes, I have

I am what I am, yes, I'm one of the people  
I scheme and I dream and I try  
I am what I am, yes, I'm one of the people  
I'm happy to live 'til I die  
I'm happy to live 'til I die

I believe in the end when the roll call's taken  
We'll be laughing together without hesitation  
I've been known by some to be a dreamer of sorts  
But I'll follow the road and I'm happy of course  
Yes, I am

I am what I am, yes, I'm one of the people  
I scheme and I dream and I try  
I am what I am, yes I'm one of the people  
I'm happy to live 'til I die  
I'm happy to live 'til I die

I've been happy, I've been sad  
Sometimes good, sometimes bad

But I am what I am, yes, I'm one of the people  
I scheme and I dream and I try  
I am what I am, yes I'm one of the people  
I'm happy to live 'til I die  
I'm happy to live 'til I die ....  
I am what I am, yes, I'm one of the people  
I am what I am, yes, I'm one of the people ....
