[Chorus:]

She A Very Freaky Girl Don't Bring Her To Mamma  
First You Get Her Name Then You Get Her Number  
Then You Get Some Brain In The Front Seat Of  
The Hummer Then You Get Some Brain In The Front  
Seat Of The Hummer

[Ludacris:]

I got sum brain n the front seat of the hummer  
Nd if u can make it rain then ludacris can make it

Now yo woman wanna get it from the front from the

Give wut u want in the lac cause she a freak girl and I

Ohh...  
You want a freaky girl?  
Welcome to Kim's World  
You ain't gon' wanna leave  
Just like a kid at DisneyWorld  
My deepthroat I'll have you squirtin' like a watergun  
Coochie overflowin' like somebody let the faucet run  
Bust one, fuck it, I ain't done  
I've got more to come  
Friends? Tell' em... more to come  
We gon' have some mo' fun  
Yeaaaah...  
Chew on me like some bubblegum  
I'll lick you like a lollipop  
Once you taste my honeybun  
Inside a lil' secret  
Just like my underwear  
You know pain is pleasure  
Can you make me shed a tear?  
Smack my ass, grab my neck  
Got 'em cummin' everywhere  
I'mma freak so I don't care  
Just don't get none in my hair  
Now he callin' me wifey  
And he wanna introduce me  
Takin' me on shoppin' spree  
He wanna buy me Gucci  
Zoomin' like a blue sea  
On the back of his Suzuki  
And I ain't even sex 'em  
All I did was let him eat my pussy, Gucci

[Chorus]
