All wrapped in untold lies  
New heights in genocide  
Flawless, I am flawless

All my friends and I  
Toast health and suicide  
[Incomprehensible] c'mon  
Were you holding hands when my palms bled?

Oh I will be all right  
Just use me  
Just use me  
The future's bright without me  
Spend some time, walking the line

World is unified  
Ennui, and I divide  
Flawless, I am flawless  
Red days and burning might  
Bleed til the faceless die  
[Incomprehensible]  
Were you holding hands when my wrists bled?

Oh I will be all right  
Just use me  
Just use me  
The future's bright without me  
Spend some time walking the line  
Spend some time walking the line

So stay sweetly numb  
Remain lifeless, love  
So stay sweetly numb  
Maintain lifeless love  
Stay sweetly numb  
Remain lifeless, love

Oh I will be all right  
Just use me  
Just use me  
The future's bright without me  
Spend some time walking the line

Spend some time walking the line

[Incomprehensible]

Walking on it!
