

A.F.I. "Born In The USA"

Visit "[Born In The USA](#)" on MotoLyrics.com

"Frank wont be coming in today, Joe.. or tomorrow.
Frank quit, bought a goat farm..moved to Ukiah."

"I like really big tits. I like really big tits.
Reading pornos, watchin' girly shows, takin' off their
clothes.

I like watchin' gay men fight. I like watchin' gay men
fight.

Walk like a macho man, love Hulk Hogan, love the
slogan.

"Hulk rules!"

I'm just God's gift to Earth. I'm just God's gift to Earth.

Walkin' in a strut 'cross the side of the bar, drivin' a
chevy truck.

You know me with gun racks, got a .40 growin' up eat
and live and breath dregs-

I'm born in the US of A, born in the US of A, born in the
US of A.

I've been tryin' to be a man. I'm just tryin' to be a man.

Drink from dawn to night, lookin' for a fight, makes
everything alright.

I like really big tits. I like really big tits

I think I'll look up to all the girls, a slut might just beat
me up.

You know me with gun racks, got a .40 growin' up, even
though I've got three ???-

I'm born in the US of A, born in the US of A, born in the
US of A.

You know me with gun racks, got a .40 growin' up, eat
and live and breath dregs-

I'm born in the US of A, born in the US of A, born in the
US of A.

We'll shiiiiit."
