Into the dark is where you're draggin' me  
And into the dark is where I never want to be  
I know I'm not alone and I really want to leave  
Into the dark is where you want to watch me bleed

I'm feelin' kinda trapped, I gotta go  
I'm feelin' kinda trapped, don't you know?  
I'm feelin' really trapped, I gotta go, I gotta go

I'm being dragged down for how long, I don't know  
I'm being dragged down and I rise up way too slow  
I know I don't belong here and I think I ought to go  
I hope that I can leave here, leave here with my soul

I'm feelin' kinda trapped, I gotta go  
I'm feelin' kinda trapped, don't you know?  
I'm feelin' really trapped, I gotta go, I gotta go

I gotta go
