*[Originally by INXS]*

I'm standing here on the ground  
The sky above won't fall down  
See no evil in all direction  
Resolution of happiness  
Things have been dark  
For too long

Don't change for you  
Don't change a thing for me

I found a love I had lost  
It was gone for too long  
Hear no evil in all directions  
Execution of bitterness

Message received loud and clear

Don't change for you  
Don't change a thing for me

I'm standing here on the ground  
The sky above won't fall down  
See no evil in all directions  
Resolution of happiness  
Things have been dark for too long

Don't change for you  
Don't change a thing for me
