As the cries start to penetrate
Still air
This day we celebrate
The wait now ends

From four corners smoke plumes into a reddened sky
(Woah oh, woah oh)
In the face of lantern light, tonight, my destiny flies
(Woah oh, woah oh)
Oh oh

This day so hallowed
This day so hallowed
From here to forever, its will I will follow
This day so hallowed
This day so hallowed
Tonight will come to life

Deadened branches stirred by whispers in the wind
(Woah oh, woah oh)
Fall children fill the streets at dusk, at last, it all will
begin
(Woah oh, woah oh)
Oh oh

This day so hallowed
This day so hallowed
From here to forever, its will I will follow
This day so hallowed
This day so hallowed
Tonight will come to life

Oh oh oh
Oh, hallowed, hallowed, hallowed
Hallowed, hallowed, yeah

Fall children

This day so hallowed
This day so hallowed
From here to forever, its will I will follow
This day so hallowed

This day so hallowed
Tonight will come to life
(Woah, oh oh oh)
To life
(Woah oh oh)
