I cannot leave here, I cannot stay
Forever haunted, more than afraid
Asphyxiate on words I would say
I'm drunk to a blackened sky as I turn blue

There are no flowers, no not this time
There'll be no angels, gracing the lines
Just these stark words I find
I'd show a smile but I'm too weak
I'd share with you, could I only speak
Just how much this hurts me

I cannot stay here, I cannot leave
Just like all I loved, I make believe
Imagine hard, I disappear...seems
No one to love here, here to make leave

There are no flowers, no not this time
There'll be no angels, gracing the lines
Just these stark words I find
I'd show a smile but I'm too weak
I'd share with you, could I only speak
Just how much this hurts me

I'll tell you how it wants me
I'll tell you how it haunts
I'll tell you how it wants me
You don't get it, it haunts me

OH!
There are no flowers, no not this time
There'll be no angels, gracing the lines
Just these stark words I find.
I'd show a smile, but I'm too weak
I'd share with you, could I only speak
Just how much this hurts me
Just how much this hurts me
Just how much you...
