I may be ten years old but I still know what's up.
I wear my Cramps shirt almost every single day.
I want to sag my pants.
I want to pogo dance, but mom won't let me so I might
just run away.

I wanna ride my skate.
I wanna stay out late.
I want a mohawk but mom won't let me get one.
I wanna go to shows.
Don't wanna pierce my nose.
I want a mohawk but mom won't let me get one.

I may be in fourth grade, but I know what's going on.
I listen to the Misfits every single day.
Don't want to take a nap.
I want a TV tat, but mom won't let me so I might just
disobey

I wanna ride my skate.
I wanna stay out late.
I want a mohawk but mom won't let me get one.
I wanna go to shows.
Don't wanna pierce my nose.
I want a mohawk but mom won't let me get one.
