

A.F.I. "I Wanna Mohawk"

Visit "[I Wanna Mohawk](#)" on MotoLyrics.com

I may be ten years old but I still know what's up.
I wear my cramps shirt almost every single day.
I want to sag my pants.
I want to pogo dance,
But mom wont let me so I might just run away.
I wanna ride my skate.
I wanna stay out late.
I want a mohawk but mom wont let me get one.
I wanna go to shows.
Don't wanna pierce my nose.
I want a mohawk but mom wont let me get one.
I may be in fourth grade,
But I know what's going on.
I listen to the misfits almost every single day.
Don't want to take a nap.
I want a tv tat,
But mom wont let me so I might just disobey.
