This is what I brought you, this you can keep
This is what I brought, you may forget me
I promise to depart, just promise one thing
Kiss my eyes and lay me to sleep

This is what I brought you, this you can keep
This is what I brought, you may forget me
I promise you my heart, just promise to sing
Kiss my eyes and lay me to sleep
Kiss my eyes and lay me to sleep

This is what I thought, I thought you'd need me
This is what I thought so think me naive
I'd promise you a heart, you'd promise to keep
Kiss my eyes and lay me to sleep
Kiss my eyes and lay me to sleep
Kiss my eyes and lay me to sleep
