Open my eyes as I submerge  
And I won't deny what I've been since birth  
I'll die drowned by your standards  
Breathe in the life of the summer's death as the orange  
and red breathe their first breath  
So welcome as they're burning through

We all begin to burn  
Autumn's flame dances in my eyes  
Set alight for all we've learned  
My ashes falling

My skin is singed but it heals my heart and with  
growing pride I'll wear my scars  
I'm honored by your hatred  
Leaves fall  
We rise again and the end impending it will begin  
So welcome as it's burning through

We all begin to burn  
Autumn's flame dances in my eyes  
Set alight for all we've learned  
My ashes falling  
Can you feel me?  
GO! (Woah-ho)  
GO! Woah-ho  
GO! (Woah-ho)  
GO! Woah-ho

Ashes fall when I'm rising up again x7  
Ashes fall  
Ashes fall  
FALL!  
FALL!  
Ashes fall as we all arise

We all begin to burn  
Autumn's flame dances in my eyes  
Set alight for all we've learned  
My ashes falling  
Can you feel me?  
GO! (Woah-ho)

GO! Woah-ho  
GO! (Woah-ho)  
GO! Woah-ho
