I saw a star beneath the stairs
Glowin' through the meltin' walls
Who will be the first to begin their fall?
Or will we become one?

Am I the star beneath the stairs?
Am I the ghost upon the stage?
Am I your anything?

I saw a star beneath the stairs
Glowin' bright before descent
And in the morning there is nothing left
But what's inside of me

Am I the star beneath the stairs?
Am I the ghost upon the stage?
Am I your anything?

Am I the star beneath the stairs?
Am I the ghost upon the stage?
Am I your anything?

And I don't want to die tonight, will you believe in me?
And I don't want to fall into the light

Will you wish upon? Will you walk upon me?
I don't wanna die tonight,

Will you believe in me tonight?
Am I the star beneath the stairs?
Am I the ghost upon the stage?
Am I your anything?

Am I the star beneath the stairs?
Am I the ghost upon the stage?
Am I your anything?
