One little smile is all it took.
That one quick smile that same
cute look that I'd get from you
a million times before. I've seen
ya laugh, I've seen you cry, I've
seen you all in the blink of an eye
one night in my dreams.

And now I think about those times
that I've never spent with you,
looking back on all the things I
never said I'd do.

But if I did believe me girl I'd do
it like tomorrow was the end of
the world or the end of me and
you.

I hope you find whatever it is
you're looking for.
The hardest words I've never
said before.

And now I think about those times
that I've never spent with you,
looking back on all the things I
never said I'd do.

But if I did believe me girl I'd do
it like tomorrow was the end of
the world or the end of me and
you.

I hope you find whatever it is
you're looking for.
The hardest words I've never
said before.

Some day, might be a better day.
Somehow I'll find a way a way to
make you stay.
