This is what I brought you this you can keep,
This is what I brought you may forget me.
I promise to depart just promise one thing,
Kiss my eyes and lay me to sleep.

This is what I brought you this you can keep,
This is what I brought you may forget me.
I promise you my heart just promise to sing,
Kiss my eyes and lay me to sleep.

Kiss my eyes and lay me to sleep.

This is what I thought,
I thought you need me,
This is what I thought so think me naïve,
I promise you a heart you'd promise to keep,
Kiss my eyes and lay me to sleep.

Kiss my eyes and lay me to sleep.

Kiss my eyes and lay me to sleep.
