This is what i brought you,
this you can keep.
This is what i brought you
may forget me.
I promise to depart,
just promise one thing,
Kiss my eyes and lay me to sleep.

This is what i brought you,
this you can keep.
This is what i brought you
may forget me.
I promise you my heart,
just promise to sing,
Kiss my eyes and lay me to sleep.

Ohh, Ohh, Ohh, Ohh, Ohh, Ohh kiss my eyes and lay me
to sleep

This is what i thought,
I thought you need me,
This is what i thought,
so think me naive.
I promise you a heart
you promise to keep
Kiss my eyes and lay me to sleep.

Ohh, ohh, ohh, ohh, ohh, ohh, kiss my eyes and lay me
to sleep
ohh, ohh, ohh, ohh, ohh, ohh kiss my eyes and lay me
tooo...sleep.
